Math and Science Leadership Alliance

A network of local math and/or science leaders from Madera and Merced counties gathering to focus and support implementation of best practices while disseminating information from the state level to apply in the classroom. Share these best practices and state-level news with your colleagues!

Who is a leader?
- Teacher
- Department Chairperson
- Director of Curriculum
- Assistant Superintendent

YOU!

Who might you send?
Send one person representing both subjects
Or
Send two people: one person for math and one person for science
