Sept. 8, 2018
9:30 a.m. to 12 p.m.

THE WORKSHOP WILL INCLUDE:

▶ Why and how to plant in the fall.
▶ California native and waterwise plant choices for year-round blooms.
▶ Attracting pollinators to your garden.
▶ Turf removal tips and alternatives to grass.
▶ This is a very comprehensive workshop covering pretty much everything you need to know for a beautiful landscape in 2019.

ABOUT THE MASTER GARDENERS:

▶ The Master Gardener Program is a volunteer group within the University of California Cooperative Extension that seeks to be the preferred source of research-based information on gardening, landscape, and resource conservation for the residents of Merced County.
▶ Master Gardeners accomplish this through extension, informative outreach programs, and the workshops listed to the right.
