

California Project WET is a project of the WATER EDUCATION FOUNDATION- an impartial, non-profit organization whose mission is to develop and implement education programs leading to a broader understanding of water issues and to resolution of water problems.

**IN THIS WORKSHOP, PARTICIPANTS WILL LEARN TO:**

- Create a guide that represents the thoughts, needs, and concerns of a vast cross section of educators and resource managers
- Accommodate diverse learning styles with practical, thought-provoking and engaging activities
- Address water from the widest possible angle with Project WET modules and existing regional water education programs bringing local issues into focus
- Provide educators with a large selection of creative teaching strategies
- Promote the tenet of "water for all water users"
